

# How to change a test name in the Dynatrace Portal

## Information:

| Environment  |
|--|
| <ul style="list-style-type: none"><li>• Last Mile</li><li>• Private Last Mile</li><li>• Mobile</li></ul> |

1. In the Dynatrace Portal, go to  > **Tests**.
2. If necessary, use the page filters to find the test.
3. Expand  the test, then click **Edit test** below the test details.  
The test settings are displayed in the Edit a *TestType* Test page.
4. In the **Edit Test Name** field, change the test name as needed.
5. Click **Update** to save the change and continue editing the test, or **Update and Finish** if you are only changing the name.

For more information about changing test details, see [Editing Tests](#) in the documentation.
