

Reminder - dynaLearn Webinar on February 2 - Business Transaction Management

We'd like to remind you about tomorrow's dynaLearn webinar on **Business Transaction Management**, scheduled for **February 2, 3:00pm (GMT)/10pm (EST)**! In this webinar, we will explain what business transactions are and how they work, how you can work with out-of-the-box business transactions as well as create your own, and talk about basic dashboards based on business transactions. Afterwards, we will hold a Q&A session with webinar participants to answer your questions right away.

[Register now for the Webinar!](#)

Based on the feedback on previous webinars, we try to reach out to our customers in other time zones and offer a **dynaLearn Webinar Q&A Session on February 8, 2012 at noon (EST)/9am (PST)** to answer open questions on our previous webinars. Please see our [Q&A session community page](#) for the registration link and add your questions there!

You can view our past dynaLearn webinars on the [webinar calendar page](#). If you have any suggestions for future topics, feel free to contact us at community@dynatrace.com!
