

Oracle WebLogic FastPack updated for dynaTrace 4.1

Christian Grimm, dynaTrace Sales Engineer in Switzerland, updated his FastPack for Oracle WebLogic to leverage latest improvements in dynaTrace 4.1:

The dynaTrace FastPack for Oracle WebLogic 11g+ enables deep insight into the Oracle WebLogic Application Server and the enclosing platform. This FastPack provides essential metrics which are visualized on different dashboards

The FastPack comes with a pre-configured System Profile and Dashboards. dynaTrace customers can download it from the [FastPack Download Page](#):
