

## How to access the Dynatrace Partner Portal

The Dynatrace Partner portal can be found [here](#).

If you already had a user for the old Partner Portal or for any other Dynatrace platform, you can enter through the “Already a user” button, with the same credentials.

If you do not have a user yet, please use the “Register new user” button. You can see the step-by-step instructions on the next page.

After you complete your registration, you will receive an email to set your credentials. Please allow a maximum of 20 minutes for the email to arrive.

If you have any problems with the registration, please send an email to [partneroperations@dynatrace.com](mailto:partneroperations@dynatrace.com)

**Enjoy the portal!**

1. Start by inserting your corporate email

2. Then, fill in your personal info, First and Last Name, Title, Phone and select your Role

3. As soon as you start writing your Company name, a dropdown will appear. Please **SELECT** your Company's legal name from the dropdown Menu.

Note: Please do not write the Company name manually, but rather select the best option from the drop down.

4. Your Company's address will appear automatically.

You can then set the "Same as Above" option, if you want to use the company address, or add your own personal Address, whatever you prefer

5. Click "Save"
